

'SplashDown!' For boys and girls born 1996 or later

Ideal for children who are able to swim 3 laps (75 yds) of front crawl without touching the bottom of the pool.

Under the watchful eye of our certified coaches, children will learn the fundamentals of the game including swimming strokes, passing, catching, scoring.

Our SplashDown League includes up to 3 opportunities per week for children to practice skills and participate in friendly scrimmages. Why not register for more than once a week! Our program is a step by step program that helps children progressively build their skills.
